

New Partner

## New Partner Public Sector joins Amrop

We are very pleased that as of May 1, 2022 Annemaria Tans will join the Amrop partner team in Amsterdam. Annemaria will be responsible for the public sector and the intersection of public-private markets. She will primarily focus on filling management and board positions, supervisory roles and interim positions within healthcare, housing associations, education, government and semi government, culture, NGOs & foundations.

In addition to a commercial background in various business sectors, Annemaria was an Associate Director at Michael Page, where she worked for 13 years where she was responsible for the finance functions within the public sector, both permanent and interim.

Her years of experience in search and public sector make her a solid and trusted advisor to Amrop's clients and valued contributor to our partner team.

She has a master's degree in Law from the University of Amsterdam and describes herself as a results driven person, who is a natural connector of people.

**Amrop**

Amrop is a global Leadership Advisory and an Executive Search partnership. “Shaping sustainable success through inspiring leaders” is our mission. We are a team of global professionals with a passion for our profession.

We are one of the world’s largest leadership and executive search consultancies, with 64 offices in 51 countries and a global team of more than 700 professionals.

We help our clients find and develop their ‘Leaders for What’s Next’, adept at working across borders, in markets around the world.
